## **ROLE OF EDUCATION IN WOMEN EMPOWERMENT**

**Dr. Sunil Ganguly**

Associate Professor in Physical Education,  
Union College, West Bengal.

***Abstract:** Every kid has a right to equal educational chances. Women constitute more than 60% of the world's population, which must to place them as pacemakers in education. Unhappily, in approximately nations, girl-child education is deserted due to cultural beliefs. Females are seen as only pertinent in the kitchen and for reproduction purpose.*
