SOCIAL LIFE OF NYISHI COMMUNITY ARUNACHAL PRADESH

Lalin Marak

Guest Lecturer
LC Junior College, Meghalaya

Abstract: *The tribal culture is completely dissimilar from the manner of civilized people. The tribal fails to comprehend the cultured people, their customs and practices beliefs etc. They are doubtful of the civilized people. In several tribal areas, mass conversion to Christianity had taken place during the British period. While the missionaries have been the innovators in education and opened hospitals and tribal areas. They have been accountable for estranging the tribal for their culture.*

Key words: *Indian tribe, Nyishi, traditional beliefs, cultural Changes*
